And now for some program news...

Working Together!

Partnering local businesses with CO-OP provides great opportunities for folks to learn new skills and experience a variety of job sites as they work toward their individual employment goals.

Today we are highlighting CO-OP's Brado Pando and Debra Borges and the local businesses who have opened their doors to provide them employment opportunities.

We'd like to recognize Dighton's **Fast Mart** owners Prasann and Meera Thakrar who have offered Brady Pando valuable experience in their busy convenience store located just across the street from CO-OP's 455 Somerset Avenue in Dighton site. Meera and Brady have hit it off like old friends. We think it is because they share a quirky sense of humor!

Also, Taunton's **Hello Gorgeous Hair Salon's** owner, Amanda Crowell, has hosted several CO-OP folks as they work toward acquiring new skills. Most recently, Debra Borges has assisted Amanda in keeping the shop clean and tidy. Debbie is very conscientious and is doing a great job. We did, however, convince her to stop for one moment to take some pictures!

Both Brady and Debbie are working with CO-OP staff member Anne Bushee on a skills assessment to see what types of jobs most interest them and the skills they need to be successful as they move forward with their employment goals.

CO-OP ABI Program Grows

The Massachusetts Department of Developmental Services (DDS) has again shown faith in the outstanding work done by CO-OP staff and administrators. As the need for acquired brain injuries (ABI) supports grows, DDS has turned to CO-OP for both residential and day programs for this group of individuals.

CO-OP is pleased to have broken ground in Marion for a new construction ABI residence. The project is expected to be completed this fall and we look forward to welcoming four people into this lovely home.

In addition to moving into a new home, the newest

folks to join the CO-OP community will also have the opportunity to attend the CO-OP ABI day program.

As our ABI supports grow, so do our physical needs and now the search is on for a new day program site. Stay tuned...

Christmas in July at Taunton Day Habilitation at Ingell St.

After weeks of preparation, lots of creativity and hard work, we celebrated Christmas in July at Ingell Street. Activities included holiday movie day, a photo booth, caroling, a room decorating contest, and Summer Santa. The week wrapped up with a Friday holiday sing-along.

All our folks worked hard to create some Christmas joy. Although it was warm outside, inside we felt the joy of the winter holiday season.

Special thanks go to our own CO-OP Christmas Chorus who traveled from room to room to spread the cheer. After all, no Christmas is complete without carolers!
